

NEWPORT
NATIONAL
Golf Club

Hello Members,

The Pro Shop inventory is starting to fill up with new merchandise daily. We are fully stocked to accommodate any of your golfing needs. A great selection of balls, gloves, bags, shirts and outerwear has arrived. We have provided some photos of our Spring inventory. If you see something you like, the Pro Shop will bag and deliver the items curbside. Your member account will be charged accordingly. For any questions on pricing or other merchandise selections, please contact chris@newportnational.com or call the Pro Shop at 401-848-9690. Thank you in advance for supporting Newport National Golf Club's golf shop.

See you all soon,

Christopher Hulme PGA
